

MANAGER IS CONFIDENT PLAYERS WERE POISONED

AUGUSTA, GA., September 16.—Catcher Meek and the other players, except Pitcher Helm, of the Chattanooga baseball team, who were taken sick last night after drinking water alleged to have been poisoned, were ready to play in this afternoon's game, one of the series to decide the championship of the South Atlantic League.

In addition to the players, it was learned to-day that a small boy with the Chattanooga team was also taken sick during the game. Two policemen, who said they drank freely of the water in the pail, said they experienced no ill effects. In a signed statement given the Associated Press to-day, Manager Dobbs, of the Chattanooga team, says:

"Every player on the Chattanooga team excepting three who were not working and who did not drink the water furnished by the Augusta club, was desperately ill for some time last night. Catcher Meek was under the

attention of a physician until after midnight, and four of the players and a physician worked with Pitcher Helm until an early hour this morning. All of the men were very sick at the stomach, and a majority of them were unable to eat last night or this morning. Pitcher Helm is under the care of a physician and will not be able to work for several days.

"The statement went out from Augusta last night to the effect that the Chattanooga players were intoxicated and untrue and does the men an injustice. Every man was in the hotel before 11 o'clock, and the attending physician, Dr. Milligan, of Augusta, this afternoon gave out a statement saying that there was no indication of drunkenness among the players.

"The Chattanooga club does not charge that any of the Augusta club owners poisoned the water, but it is a fact that a man of our club who drank from the water furnished us at the park was very ill."

MERELY WALKOVER FOR THE SURVIVOR

Championship Race of Motor Boats Badly Marred by Withdrawals.

NEW YORK, September 16.—The second day of the National Motor-Boat Carnival, on the Hudson River here, found the number of competitors in the four championship events reduced from thirty to sixteen. Withdrawals in two of the important events left the championship merely a walkover for the survivor. All the contests are being raced in three legs, the first of which was completed yesterday and the second to-day.

In the speed boat class, the redoubtable Dixie II, which won the first 20-mile leg of the 90-mile race yesterday in 1:14:34, found herself alone at the starting post to-day, owing to the withdrawal of both the Elio Craig and the Willow Brook.

Although she had no rivals to-day, she bettered her yesterday's performance by nearly twelve minutes, finishing the 20-mile course in 1 hour 2 minutes 15 seconds.

In class "E," for large cruising boats, the race became a walkover for Elio, a Philadelphia boat. She went over a twenty-mile course in 2 hours 1 minute 55 seconds.

In class "A," the Rochester, entered by W. J. Graham, of Rochester, N. Y., won from five competitors, covering the 20-mile course in 1:27:22.

Over the shorter course (20 miles) the Alys, owned by F. C. Havens, took first place in class "D," for pleasure boats, in 1:32:02, while the Talequah, owned by N. H. Niles, won class "G," for small open boats, in 1:29:01.

The various events will be finished to-morrow.

RAIN ENDS GAME WITH WINCHESTER

With a score of 1 to 0 in favor of Winchester, the game between the Valley players and the Colts was called yesterday afternoon at the beginning of the third inning. Winchester apparently had all the better of the game, and rain probably saved Richmond from defeat. When Umpire Mace called time, the clouds were gathering, and indications were most unfavorable.

Edmundson started off to pitch for Richmond, and although he allowed but two hits, one error proved costly, and the visitors scored. After two men were out, in the second inning, Richmond had runners on second and third, but could not advance them. Winchester plays here to-day, and the season will close with the double-header to-morrow.

VIRGINIA CREW READY FOR RACE

Members of the Virginia Boat Club crew, in charge of Coach Hecox, will leave at noon to-day for Washington, where to-morrow the Virginians will compete for honors in the Potomac regatta. The locals are in fine physical condition and have great confidence in their ability to gain the eagerly raced race. The event in which the Richmond boys will take part will, according to the program, be rowed at 4 o'clock in the afternoon. The locals will be guests of the Potomac Club.

Falls to Lower Record.

Accompanied by a number of Hamburg Belle drivers, the first quarter in 29 3/4. The 30,000 spectators shouted when the Umpire hung up 1:09 1/4 for the half. The trotting queen slipped to the three-quarters in 1:31 1/2, but as she turned into the stretch she tired badly.

As Syracuse horse, Gentley, won the 2:17 pace.
